

Coffee Pointers - Week 1 (February 2019) Boat End Barging – RRS 11, 12, 14, 16.
 Created by Christina Heydon (National Judge)

ADD A THIRD BOAT! This scenario is the most likely to happen because numerous boats are endeavouring to start at the same time! Plus: Add more boats and the situation compounds. If you are the RED boat, please "do not go in there". It is a dangerous situation to put yourself, your crew and all the other boats.

RRS 14 – Avoiding Contact - applies to ALL BOATS

RRS 67 Damages – "...Australian Sailing advises that the question of damages is for the appropriate court of law."
