# YOU ARE NEVER TOO OLD TO MAKE A DIFFERENCE

BY MOIRA YELDON

Moira's dream was to visit India. Despite various health issues she set out on a life-affirming journey that inspired her to write an honest and perceptive memoir. Join her as she recalls events that tested her faith and shares candid thoughts in a witty manner that will resonate with those who have been to India and inspire those who are yet to go.

"Chasing Marigolds" is an inspirational journey of healing and wisdom, fun and food blended with the sensuality and vibrancy of India. It is a reminder to cherish every moment in life with all its uncertainties and to embrace the wonderful people who make them possible.

We are all on a journey, looking for something to bring meaning to our lives. This story is about hope and the future - you are never too old to make a difference, to discover the answers to life or to inspire others.
