| <b>Name:</b> Eutopia           | Col Delane   | <b>When:</b> Saturday afternoon (Keelboat)<br>Sunday Winter afternoon (Keelboat)  | The SS22, designed and built in WA for WA conditions, is like a VW Beetle - small, simple and rugged, but also performs well for its size.<br>Eutopia is a well founded and comfortable boat, ahving recieved 2 very clean marine surveys in the alst 6 years, and is fitted out with all the necessities for racing/cruising with a few extras.<br>Whilst primary function is the around-the-buoy racing on the swan river weekly club events, we also compete in Class, Association and State championship races. In addition we may participate in some off-shore races such as Freo-Rotto, Rockingham and/or Cockburn sound regattas. |                                    | 11-Jan-2022     |
| <b>Class:</b> SS22             | col.delane@tpg.com.au  | <b>Position:</b> General crew, Bow, Jib trim, Spiniker trim<br><b>Serious / Permanent</b>   |   |   |                 |
| <b>Length:</b> 6.8m            | 0415 387 293   | <b>Experience:</b> Prefer crew with some measure of sailing training or experience - especially for the bow as this position is responsible for setting up and wrangling the spinniker. I am willing to train anyone who shows they are keen and prepared to put in the effort to learn. Sailing on a small boat like the SS22 means you will be actively involved and learn much quicker the aspects of sailing and boat handling. |   |   |                 |
